EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The applicant has defined the meaning of the "variable length fixed-point format" based on the specification. Since it was presented in the original amendment, it is considered not new matter. For the independent claims, there's no prior art using the term "variable length-point format" or format with such characteristics.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
